

CREATE OPPORTUNITIES WITH YOUR COMPANY'S RETIRED TECHNOLOGY

Tech
Exchange

THE CHALLENGE

- 450,000 Bay Area residents lacked a computer at home in 2021.
- Many devices deemed “end-of-life” by businesses are still viable.
- In 2021, **only 17%** of e-waste was recycled or reused worldwide.

A SUSTAINABLE SOLUTION

Our Tech For All program connects students and families with refurbished devices and support. We rely on donations of decommissioned computer equipment at the heart of this process. Devices are refurbished at our Oakland warehouse by staff technicians and paid interns in our workforce development program.

TOGETHER WE CAN CLOSE THE DIGITAL DIVIDE.

When you donate your company's retired technology to Tech Exchange, you change lives. Each Tech For All household receives a refurbished computer, foundational digital skills training, free tech support, and internet access guidance. Participants gain the computers and skills they need to search for jobs, pay bills, complete homework, and empower themselves as 21st century digital citizens.

3 SIMPLE STEPS:

STEP 1: Gather your company's retired devices.

STEP 2: Visit pickup.techexchange.org to schedule a pick-up of quantities of 30+ items. If donating less than 30 devices, email us for drop-off options.

STEP 3: Receive an itemized receipt for your donation.

YOUR DATA SECURITY IS A TOP PRIORITY

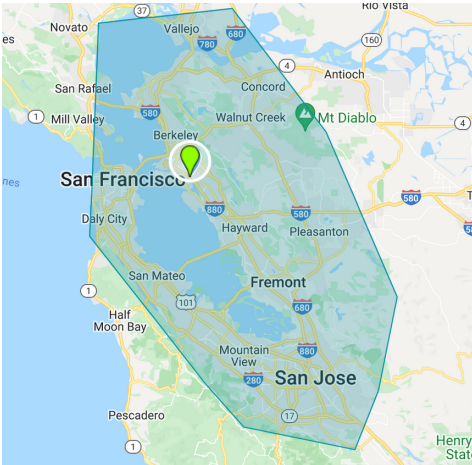

From the moment your devices are received by our team you can rest easy that your data is secure. At the end of a collection run, devices are immediately taken our secure warehouse. Devices with removable hard drives are disassembled and machine-wiped to Department of Defense triple-pass standards. Serialized receipts of destruction can be provided upon request.

SCHEDULE A PICKUP TODAY: PICKUP.TECHEXCHANGE.ORG

Tech Exchange can pick up equipment donations of at least 30 devices within our Bay Area service area. Equipment donations can also be dropped off at our Oakland TechHub during open hours, or at our Oakland Warehouse by special arrangement. Pickups outside the map boundaries below may be arranged on a case-by-case basis.

OUR NETWORK OF IMPACT

Join the hundreds of companies, organizations, and individuals who donate computer equipment to sustainably close the digital divide.
